

IBIS INSTRUMENTS

IS CURRENTLY LOOKING FOR A

PHP developer

Who are we?

IBIS INSTRUMENTS is leading regional system integrator founded in 1996, and serves more than 300 customers in South East Europe having offices in Serbia (HQ), Romania, Bulgaria, Macedonia and Bosnia. Our major partners are leading software and measurements companies like IBM, Microsoft, Check Point, Click Software, Keysight (ex HP).

We are looking for a thightly driven **PHP DEVELOPER** who will join our Big Data team. Our future colleague is out of the box thinker and always ready to tackle new challenges.

What will you be doing?

- Developing user-facing functionalities on web applications
- Building efficient, testable, and reusable PHP modules
- Writing "clean", well-designed code
- Working on web app performance optimisation
- Following industry best practices
- Collaborating with other team members on how to improve our existing technology stack

You are:

- Creative and passionate about technology
- Open to receive and apply constructive feedback
- Up to date with design and development trends
- Proactive and able to communicate your ideas effectively
- Fluent in English

Sounds interesting?

If yes, show us what you've got and send your CV to career@ibis-instruments.com with email subject PHP developer.

Have in mind that only candidates selected for an interview will be contacted.

What do you need to have?

- Experience in the following languages: Object Oriented PHP and JavaScript
- Minimum of 2 years of industry experience in programming
- University degree in computer sciences (or equivalent)
- Knowledge of Laravel framework and RESTful API service is a plus
- Previous experience with databases, preferably MySQL
- Preferably experience with HTML, CSS, Javascript, AJAX
- Experience with version control, such as Git
- An expertise in JavaScript framework including jQuery

Our offer:

- Opportunity for professional development
- Great financial package
- Flexible working hours
- Coaching and training to help you grow
- Various sports and team building activities
