

**Is currently looking for a
Web and Graphic designer**

Who are we?

IBIS INSTRUMENTS is leading regional system integrator founded in 1996, and serves more than 300 customers in South East Europe having offices in Serbia (HQ), Romania, Bulgaria, Macedonia and Bosnia. Our major partners are leading software and measurements companies like IBM, Microsoft, Check Point, Click Software, Keysight (ex HP).

Due to the significant expansion of our activities, we are looking for a talented **WEB and GRAPHIC DESIGNER** who will help us craft our digital story. Our future colleague is tech savvy and has a keen eye for both web and graphic design, some knowledge of web development too.

What will you be doing?

- Creating eye-catching design for variety of graphics from initial concept to final design
- Working together with marketing team for online and offline activities (events, social media, email campaigns, website...)
- Design engaging and functional interface for our enterprise software and website
- Creating wireframes, mockups, and prototypes
- Constantly improving and innovating our brand identity
- Collaborating with photographer and print production
- Presenting your ideas and collect feedback for improvement

What do you need to have?

- Advanced knowledge of Adobe CC (Photoshop, Illustrator, InDesign...)
- Minimum 3 years of related work experience
- Strong portfolio of previous design work
- Amazing design (print, digital and web) skills
- Knowledge of responsive design principles
- Basic knowledge of HTML5/CSS and Java Script

You are:

- Creative and passionate about design and technology
- Open to receive and apply constructive feedback
- Able to effectively communicate and present your ideas
- Detail oriented
- Fluent in English
- Self - motivated and independent

Our offer:

- Opportunity for professional development
- Great financial package
- Flexible working hours
- Coaching and training to help you grow
- Various sports and team building activities

Sounds interesting?

If yes, show us what you've got and send your CV and portfolio to career@ibis-instruments.com by December 14th 2017. Have in mind that only candidates selected for an interview will be contacted.
