Welcome message

Dear Sir / Madam,

Waves of innovations increasingly have an influence on the rapid development of new technologies, accelerating the process of digitalization of business and life. Observing innovation or being part of them is the question that affects all companies and industries alike.

*As a company that for 20 years on each seminar indicates a new wave of innovation and point partners and associates to breakthrough solutions to work together to be a step ahead of time, this year's jubilee seminar is titled **NAVIGATING THE FUTURE**.*

We invite you to be part of the jubilee 20th Ibis Instruments seminar on Silver Lake from 17th to 18th October.

It will be our honor to see you on the Silver Lake!

Kind regards,

IBIS-INSTRUMENTS team

Accommodation

NAVIGATING THE FUTURE

Hotel

Danubia Park Hotel

On the shore of Silver Lake, one of the most beautiful lakes in Serbia, only 75 minutes drive from Belgrade is located Danubia Park hotel. In a unique environment known for its tourism, fishing and numerous natural, historical and cultural landmarks, the hotel will provide a relaxing and inspiring stay.

Vilas:

„Panorama“, „Dinčić“, „Stević“, „Kod Brke“, „Vila Talija“, „Vila Atos“, „Vila Stela et Luna“

Restaurant: Breakfast, lunch and dinner will be organized at Sidro Restaurant.

The conference rooms where the presentations will be held are located at the Danubia Park Hotel.

Driving instructions

#20IbisSeminar2019
NAVIGATING THE FUTURE

The distance from the center of Belgrade to the Silver Lake is 115 kilometers. The easiest and the fastest way to cross this distance is by highway Belgrade–Niš. After 63km drive on the highway from Belgrade, turn right towards Požarevac. Drive for about 15km AND before entering the Požarevac, at the ring road follow the sign for Kostolac. Take a detour for 10 miles, that leads you across the bridge over the Mlava river, and continue to village Bratinac. At the crossroads, follow the sign for Veliko Gradište 28 kilometres. The next 6 kilometers the route goes through Stig. You will pass through the following villages Sirakovo, Majlovac, ĐurakovacPopovac, Topolovnik and Kumane. After leaving Kumane follow the sign for Veliko Gradište and drive for another 4 miles. Only 300 meters after the road sign Veliko Gradište, there is the road sign telling you to turn left to Silver Lake.
