

Empowering Intelligence. Enabling Performance.

October 23rd - 24th 2025. | Silver Lake

With a strong regional presence built over decades, Ibis Instruments continues to drive progress in the Test and Measurement industry by promoting advanced solutions and proven best practices. The **26th Ibis Seminar** will bring together over 20 expert speakers across a two-day program, offering insights into key trends in telecommunications, energy, industry, and beyond. Join us at the region's leading event to exchange ideas, address real-world challenges, and explore practical solutions that boost performance and efficiency.

Agenda - 1st day

Thursday, October 23rd 2025

Time	Part	Topic	Presenter
10:00 - 11:00		Check in	
11:00 - 12:00	Opening part	Welcome speech	
		Partner keynote speech	VIAVI SOLUTIONS, Andrea Wagner, KEYSIGHT TECHNOLOGIES, Chander Shajadsingh
12:00 - 12:30	Coffee break		

Time	Stream 1	Stream 2
12:30 - 14:00	5G & AI in Telecommunications Field interference analysis with augmented reality VIAVI SOLUTIONS, Genis Sanchez Unlocking the Power of Geolocation in the 5G Era VIAVI SOLUTIONS, Dan Nistor RAN Planning and Optimization through Intelligent Automation TEOCO, Saba Khalvashi	Fiber network solutions Advancement in Core Alignment Fusion Splicing - NEW Fujikura 100S FUJIKURA, Sean Wade Automated, continuous monitoring and on-demand testing of optical fiber networks VIAVI SOLUTIONS, Dimitrios Loukas WTC / SWR cable technologies FUJIKURA, Paco Cabeza-Lopez When fiber blowing becomes significantly easier! IBIS INSTRUMENTS, Milorad Sarić
14:00 - 14:30	Coffee break	

Time	Stream 1	Stream 2
14:30 - 15:30	5G & AI in Telecommunications AI-based assistance and testing concepts for cellular telecommunications in the field VIAVI SOLUTIONS, Genis Sanchez Synchronization requests for Mobile interfaces IBIS INSTRUMENTS, Ivan Veselinović	Fiber network solutions CD/PMD Maintenance of Essential OPGW IBIS INSTRUMENTS, Milorad Sarić Industry-Leading 400/800G Testing Solutions IBIS INSTRUMENTS, Darko Lekić Service Activation Test and Performance Monitoring for Ethernet Monitoring IBIS INSTRUMENTS, Darko Lekić
15:30 - 17:00	Lunch	
17:00 - 19:00	B2B Activities / Demo Sessions	
19:00 - 23:00	Dinner	

Agenda - 2nd day

Friday, October 24th 2025

Time	Stream 1	Stream 2
10:00 - 12:00	Power, utilities and critical infrastructure Be Prepared for the Unexpected – Maintain an Action Plan Strategy for Every Critical Event IBIS INSTRUMENTS, Bojan Nikolić IP-MPLS Synchronization in Utilities IBIS INSTRUMENTS, Darko Lekić Fiber Optic Sensing Solutions VIAVI SOLUTIONS, Dimitrios Loukas Purpose-built and rugged for your extraordinary work IBIS INSTRUMENTS, Igor Plevnjak	Industry, innovation and science Automating EMC Testing with TILE! and VisionTRX ETS LINDGREN, Ben Hodges Revolutionizing EV Charging Testing: Trends, Use Cases and Solutions KEYSIGHT TECHNOLOGIES, Mansour Chabnari Advanced Testing for EMF IBIS INSTRUMENTS, Sanja Marković EMC and AMS solutions from ETS Lindgren ETS LINDGREN, Aleksei Solovjov
12:00 - 12:30	Coffee break	
Time	Stream 1	Stream 2
12:30 - 14:30	E2E network intelligence Can You Monitor All Your Media Streams? BRIDGE TECHNOLOGIES, Paolo Limo Future of Cybersecurity Readiness KEYSIGHT TECHNOLOGIES, Cristian Lazar Network Visibility in the 5G Era KEYSIGHT TECHNOLOGIES, Cristian Lazar Understand the performance of your entire network and services KEYSIGHT TECHNOLOGIES, Cristian Lazar	Industry, innovation and science Capturing and locating RF interference in a handheld format IBIS INSTRUMENTS, Mihailo Marjanović Powering Test & Measurement: Keysight's End-to-End T&M Portfolio KEYSIGHT TECHNOLOGIES, Andrei Skvortsov Precision, performance, and portability for complex signals in noisy environments with Keysight InfiniiVision HD3 Series oscilloscopes KEYSIGHT TECHNOLOGIES, Andrei Skvortsov From basic impedance analysis to general-purpose RF component characterization IBIS INSTRUMENTS, Sanja Marković Boosting GNSS receiver resilience with CRPA antenna IBIS INSTRUMENTS, Mihailo Marjanović
14:30 - 16:00	Lunch	
16:00 - 20:00	B2B Activities / Demo Sessions	
20:00 - 01:00	Gala dinner	

Registration Fee And Accommodation

The central event will traditionally take place at **Silver Lake**, in the **Danubia Park Hotel**.

The registration fee for participation in the seminar during both days is **195 EUR**.

If you apply for participation for only one day, the amount is **115 EUR**.

The registration fee includes participation in the **seminar program**, as well as **meals** (lunch and dinner) for the selected days.

Please note that the fee does **not cover accommodation and breakfast costs**.

For accommodation, we recommend contacting the reception at the Danubia Park Hotel at 012 7195072 or 066 849-6054

How to register

To participate in the event, please register on our website, where you'll find all the relevant details, registration options, and accommodation information. You can access the application form at www.ibis-instruments.com in the Upcoming Events section.
